e EASY

WHAT YOU'LL NEED

- Crafters Choice acrylic blanks in different shapes
- Acrylic paint
- Paint brushes

INSTRUCTIONS

Step 1 – Remove the plastic film from the acrylic blank decoration.

Step 2 – Decide on a colour palette for your Christmas decorations and choose paint colours to match.

Step 3 – Working on one side of the acrylic decoration at a time, paint brush strokes and paint splatters to decorate the back of your ornament. Repeat across all the acrylic blank shapes.

Step 4 – Leave paint to dry completely before working on the other side.

Step 5 – Once paint is dry, turn the ornaments over and using a thin paint brush and some white paint add detailed letters or words to the front side. Again repeat on all the different shapes and sizes and allow to dry.

Step 6 – You could also use stickers or a Cricut machine to cut out vinyl and stick on the front of your decorations, use your imagination, and create your own unique version.

Step 7 – Once all the paint is dry, cut piece of ribbon and thread them through the hole at the top of each ornament to finish!
