# ANASTACIA ROSE QUILT

## ADVANCED

### WHAT YOU'LL NEED

#### Rose Quilt

##### Materials

- 2.5 metres of cream fabric
- 80cm – Red fabric
- 25cm – Green Fabric
- 90cm – Large rose fabric
- 25cm – Outer edge rose fabric

#### Red Square Cut

64 – 4.5 inch square cream – then cut in half for triangle

64 – 4.5 inch square red – then cut in half for triangle

64 – 4 x 1 ¼ inch strips – cream

24 – 8.5 x 1 ¼ inch strips – cream

#### Large Rose Square Cut

16 – 8 ½ inch squares

#### Green Triangle Squares

36 – 4 inch cream squares

36 – 3 inch green squares

9 – 1 ¼ Red small square

64 – 4 x 1 ¼ inch strips – cream

24 – 4 ¼ x 1 ¼ inch strips – cream

#### Outer Edge Rose Print

Cut – 12 – 4 inch x 8.5 inches

#### Additional Creams Strips

36 – 8.5 x 1 ¼ inch strips – to join in between each square in rows

6 long strips – approximately 60 inches long – cut once the entire row of squares has

been sewn and

then sew in between to join each strip

You will need approximately 180 cm x 4 – 1 ¼ inches for small outer edge border of all squares

before joining half square border

**Finished Size:** 175cm x 175cm

### INSTRUCTIONS

Assemble all square blocks first. Finishing size being 8.5 inches.

#### Red Small Square

Create 4 squares by joining cream and red triangles together. Finishing with 4 inch squares

Sew two squares together by first placing a 4 x 1 ¼ inch strip of cream in between with the red

triangles placed in the correct direction of the quilt away from the centre cream strip

Once the four squares have been sewn correctly add the 8.5 x 1 ¼ inch strip in between the two

halves creating a 8.5 inch square with all four red triangles pointing out on each corner

#### Green small Square assembly

With the 4 inch cream square place the 3 inch green square (right sides facing) over the cream

square neatly lining up to one bottom square of the cream square. With a fabric marker draw a

diagonal line across the green fabric and sew along this line. Once sewing using your quarter in ruler

cut the excess fabric off and iron the green square over forming a 4 inch square.

Sew two squares together by first placing a 4 x 1 ¼ inch strip of cream in between with the cream

and green triangles placed in the correct direction of the quilt with all green squares centred

correctly in the middle

Join the 4 x ¼ inch x 1 ¼ inch strip each side of the small red 1 ¼ inch square

Join each half of the green and cream squares together with the middle strip with the red square

forming a 8.5 inch square

Once all squares have been assembled they can then be sewn into strips creating the pattern of the

quilt. Lay these out so it can easily be viewed and slowly start adding the 8.5 x 1/¼ inch strips in

between each strip of squares. Make sure to line up each of the square blocks by pinning to get the

spacing accurate. Once this is all done you can then sew the longer creams 1 ¼ inch strips in

between each of the rows of squares.

Once all the squares are assembled and sewn together this will form the majority of the quilt.

Sew a very thin border of the cream 1 ¼ inch strip all the way around the out edge. Press slowly and

neatly once complete.

Assemble the out half squares together the same as the inner blocks with the small creams strips in

between 4 x ¼ inch strips

Place these on each edge of the border of the quilt.

Sandwich and Quilt.
