- Arbee Glitter Felt Teal 20cm
- Arbee Glitter Felt Gold 20cm
- E6000 Fabri-Fuse Glue
- Sewing Machine
- Scissors
- Thread

INSTRUCTIONS

Step 1 - Download and print out Arbee Felt Witches Hat template.

Step 2 - Pin on paper template onto fabric. Brim and Cone of hat onto Black 3mm Felt, sash on Teal Glitter Felt and buckle on Gold Glitter Felt.

Step 3 - Cut out the pieces according to the template.

Step 4 - Sew the cone straight edges together and turn out.

Step 5 - Sew the brim onto the cone.

Tip: The brim has a large seam allowance, snip into the seam allowance approximately every 2-3cms this will help to sew to the curve of the cone. A loose hand stitch first may also help before machine stitching but remember to remove the hand stitch afterwards.

Step 6 - Sew the straight edges of the sash together.

Step 7 - Place the sash onto the cone, either sew or use E6000 Fabri-Fuse to hold in place.

Step 8 - Either hand stitch or use E6000 Fabri-Fuse to add buckle to front of hat.

Note - This template has been scaled. You will need to print this template at actual size and blow it up by 500% to make it full size.
