Step 1. Lightly draw even lines around all 10 of your decofoam cones. Try using a strip of paper (approx. 3cm wide) as a guide to keep all your lines the same width.

Step 2. Paint every second line on your decofoam cones and allow to dry.

Step 3. Paint your decofoam stars and allow to dry.

Step 4. Once dry, carefully insert a toothpick into the bottom of each decofoam star. Insert the other ends of the toothpicks into the tips of the decofoam cones. To attach the stars securely try dabbing a small amount of glue on the decofoam tips before pushing the stars on top.

Step 5. Set up your bowling pins in your backyard and have a fun game of backyard bowling!!
