#### WHAT YOU'LL NEED

- 'Moda Vera' Beach House Raffia, 35g
- 4 balls x Red balls
- 2 x Large 90cm Circular Balloons (to create the circle shape)
- Modge Podge Craft Glue
- Scissors
- Fairy lights

#### INSTRUCTIONS

**Step 1.** Blow balloons up to desired size. We decided on 70cm and 40cm.

**Step 2.** Using craft glue paint a strip of glue around the centre of the balloon so that while you're wrapping the raffia it has somewhere to stick too.

**Step 3.** Continue wrapping the raffia around the balloon crossing over the strands of raffia to create a woven and covered web.

**Step 4.** Once you are happy with how covered your balloon is, paint over entire balloon with glue. Ensuring you have covered every cross section of raffia.

**Step 5.** Leave to dry.

**Step 6.** Once dry, carefully untie the balloon and let out a small amount of air.

**Step 7.** Carefully help to pull away the raffia from the balloon, keeping it in tact.

**Step 8.** Repeat this until the entire raffia web is detached from the balloon and completely deflate the balloon to remove it.

**Step 9.** Once you are left with the raffia ball shell, carefully thread fairy lights around the entire ball and place the battery pack inside at the base.

**Step 10.** Repeat process for the 2nd size balloon and place together to create large Christmas decorations for your home.
