BLACK & WHITE HAT

e EASY

WHAT YOU'LL NEED

- 1 x Maria George Large Boater Hat Ivory
- 1 x Maria George Trimmed Sinamay Loops Fascinator, Black
- Maria George Quill Feather Black
- Hot glue gun and glue sticks (optional)
- Black thread and sewing needle
- Scissors
- Shamrock Craft Decofoam Lady Head

INSTRUCTIONS

Step 1 - Carefully disassemble the trimmed sinamay loops fascinator, so you have one long piece of black sinamay. Disregard the rest of the fascinator.

Step 2 - Hold the sinamay strip around the base of the crown of the hat and cut it to size, allowing a small overlap of about 3cm.

Step 3 - Use a hot glue gun or needle and thread to stitch the band around the crown of the hat to secure in place, you can also glue it down using a hot glue gun. Ensure the overlapped section of the band is on the same side that your bow will be, so it will be covered and look neat once finished.

Step 4 - With the left over sinamay, play with it and loop it into a bow shape you like and secure in place using a needle and thread.

Step 5 - Attach the bow to the hat using a needle and thread or hot glue gun.

Step 6 - To finish add the black quill feather and again stitch or glue in place.
