WHAT YOU'LL NEED

- 'BYS' SFX Mermaid Starter Kit
- 'BYS' SFX Bruises Colour Wheel
- Glitter Fix Primer
- Flat eyeshadow brush
- Lip brush

INSTRUCTIONS

Step 1 – Using a flat eyeshadow brush and selecting the light blue shade from the Mermaid Colour Wheel, draw an arch above the brows down the sides of the nose.

Step 2 – Give the eyeshadow brush a wipe and select the green shade in the Mermaid Colour Wheel and start drawing scales on the forehead. Colour in the scales using the light blue shade from the same Colour Wheel.

Step 3 – Switching to the Bruises Colour Wheel and selecting the navy blue shade, apply it above the light blue arches to add definition.

Step 4 – Going back to the Mermaid Colour Wheel and selecting the green shade, apply it lightly over the brows. Then take the gold shade from the same colour wheel and apply over the green on the brows.

Step 5 – Apply the light blue shade from the Mermaid Colour Wheel over the eye lids as a base. Then apply the navy blue shade from the Bruises Colour Wheel to the outer corners of the eye, blending into the light blue.

Step 6 – Using the green shade from the Mermaid Colour Wheel, draw some scales under the outer corner of the eyes and fill in with the light blue shade from the same Colour Wheel.

Step 7 – Using a lip brush, apply the purple shade from the Mermaid Colour Wheel to the lips.

Step 8 – Complete your mermaid look with a costume and accessories.
