INSTRUCTIONS

The instructions are written for smallest size. If changes are necessary for larger size(s) the instructions will be written thus (). When only one number is given, it applies to all sizes.

Notes – Before working with Caron® x Pantone™ multishade yarn braid, separate each color link and wind into 5 separate balls for each braid.

Each color link will be referenced by its Pantone™ color # (see label)

Designate each different shade of the 5 separate yarn balls as Contrast A, B, C, D and E as noted in Materials section (or as desired).

Due to finite amount of yarn in each shade, pattern tension must be matched to ensure successful results. When working from charts, carry yarn not in use loosely across WS of work but never over more than 5 sts. When it must pass over more than 5 sts, weave it over and under color not in use. The colors are never twisted around one another.

BODY

Note – Body is worked in 1 piece to armholes.

With MC and 5.5mm circular needle, cast on 136 (148-164- 180-212-244) sts.

Join in rnd and place marker on first st.

1st round – *K2. P2. Rep from * around. Rep this rnd of (K2. P2) ribbing until work from beg measures 7.5 cm, inc 0 (2-2-0-2-0) sts evenly across last rnd. 136 (150- 166-180-214-244) sts.

Change to larger circular needle and knit in rnds until work from beg measures 38 (38-40.5-40.5-43-43) cm.

Next round – K8 (8-10-10-12-12). Slip these 8 (8-10-10-12-12) sts onto st holder (armhole). K68 (75-83-90-107-122). Slip last 8 (8-10-10-12-12) sts onto st holder (armhole). K60 (67-73- 80-95-110).
