CHRISTMAS IN JULY TABLE SETTING

e EASY

WHAT YOU'LL NEED

- Table cloth and place mats in your chosen colour scheme
- Cutlery and glassware
- Serving boards
- Decorations; tinsel, balloons, paper chains, honeycomb decs, confetti
- DIY bon bons

INSTRUCTIONS

Step 1 -To create the perfect table setting start from the bottom and work your way up. Begin by ironing your table cloth and lay it neatly over the table ensuring it is evenly hanging over the sides.

Step 2 -Position the table runner down the centre of the table.

Step 3 - If using placemats lay them out in position. Place one placemat for each guest.

Step 4 -Add your plates and cutlery.

Step 5 - Use assorted bowls, plates and serving boards down the centre of the table runner for shared plates. Using a range of sizes, shapes and materials will create layers of interest in your table setting.

Step 6 - Lastly, use the assorted decorations to fill in any spaces between the bowls and plates down the center of the table. Start with the larger decorations such as paper chain and tinsel and then fill in any gaps with smaller decorations.

Step 7 - Once your table is looking nice and full the last things to add are place cards or DIY bon bons for your guests.
