INSTRUCTIONS

All strips are cut across the width of fabric unless otherwise stated.

- From Fabric A cut 12 x 2½" strips, set aside 4 strips for binding and 4 strips for borders. Crosscut remaining strips into 68 x 2½" squares. From remaining fabric cut 1 x 3½" square for half-square triangles.
- From Fabric B cut 1 x 3½" square for half-square triangles; cut remaining fabric into 2½" strips, crosscut into 2½" squares.
- From each of Fabrics C, D, E, F, G, H, I & J cut 2 x 2½" strips, crosscut strips into 2½" squares.

NOTE – a total of 140 x 2½" assorted squares is required from Fabrics B, C, D, E, F, G, H & I.

Step 1 (Half-square triangles) - Take the 3½" Fabric A and Fabric B squares. Rule a line across the diagonal on the wrong side of the 3½" Fabric A square. Place Fabric A and Fabric B squares together with right sides facing and pin together at edges. Sew together ¼" from the line on both sides. Cut along the line to create two half-square triangles. Press seams open.

Step 2 (Layout) – Refer to diagram and image to arrange squares into 15 rows with 14 x 2½" squares in each row. The Fabric A squares are shown by white squares in the diagram and must be in positions as shown. The half-square triangle units will be 6th and 9th squares in the top row. The patterned squares on the diagram are for all other Fabric B, C, D, E, F, G, H, I & J coloured squares which can be arranged as desired.

Step 3 (Rows) – When happy with your layout sew blocks in each row together, pressing seams in one direction alternating the direction in each row.

Step 4 (Quilt Top) – Sew rows together matching seams. Press seams in one direction.

Step 5 (Borders) – Sew one 2½” Fabric A border strip to each side of the quilt. Press seams towards border and trim off any excess fabric. Sew remaining 2 x 2½” border strips to the top and bottom of the quilt, press and trim off any excess fabric.

Step 6 (Backing) – From remaining Fabric C cut a piece 40” x 42” for backing.

Step 7 (Quilting) – Layer the backing, batting and quilt top and baste together. Quilt as desired.

Step 8 (Binding) – Join the 6 x 2½” binding strips on the bias to make one long strip. Press in half lengthwise and bind mitering corners. Attach a label or sign and date your quilt.
