CLOWN FACE PAINT

e EASY

WHAT YOU'LL NEED

- Clown kit
- Red lipstick
- Red nose
- Clown wig

INSTRUCTIONS

Step 1 – Begin with the yellow face paint and draw a triangle above one eye over the brows.

Step 2 – Repeat this step above the other eye using the blue face paint.

Step 3 – Using the white face paint, trace around the triangles and fill in the forehead white.

Step 4 – Use the red lipstick to draw a circle on each cheek. Handy hint – Use a brush with the lipstick on it to neaten up the shape if needed.

Step 5 – Trace around the circles with the white and continue to fill in the rest of the face.

Step 6 – Use the red lipstick to fill in the lips. Use a brush with the lipstick to add an extended line to the lips.

Step 7 – Add your red nose and rainbow clown wig and you're done!
