## WHAT YOU'LL NEED

- 1.8m Cloud 9 organic cotton, 112cm wide
- Scissors, matching thread
- Tape measure
- Sewing machine and over-locker if available

## STEP 1

Cut 1 rectangle 95 x 85cm and 2 rectangles 40 x 85cm.

## STEP 2

Following the flat plan join the shoulder seams with right sides together and 1cm seam allowance. Join the side seams, starting 30cm from the shoulder to leave a gap for the armhole and finishing 15cm from the side slits.

## STEP 3

If an over-locker with rolled hem facility is available then sew around the armholes, front, back neck, slits and bottom hem to neaten the raw edges. If this is not possible, make a neaten edge with the sewing machine by folding over the edges twice and sewing along the edge. Clip all loose threads and press.
