INSTRUCTIONS

Preparation

Step 1 - Open the Elegant Wedding Invitations project in Cricut Design Space by clicking on this [link](#). *Fees may apply.

Step 2 - Add your own style and personalise the text of this project. Use the text tool to select the text you want to change and type in your desired letters.

Step 3 - Use the attach options to set in place the arrangement of the text on cardstock before cutting. Increase project copies as needed.

Cut.

Step 4 - Insert your Scoring Wheel or Stylus when prompted. Insert your Foil Housing with appropriate tip when prompted to foil.

Step 5 - Follow the prompts to place the foil over the area to be foiled on your cardstock, using the Foil Transfer Tape Strips.

Step 6 - Remove the foil as prompted and insert the black Fine Point and Fine-Point Blade and Housing to write and then cut the card and envelope from the cardstock.

Assemble

Step 7 - Fold along the score lines of the card and envelope. Assemble the pieces of the card, using adhesive for paper. Fold the envelope into shape and glue the flaps.
