DIY CHRISTMAS JUMPERS

e EASY

WHAT YOU'LL NEED

- Plain T-shirt or jumper
- Felt sheets
- Tinsel or other Christmas decorations
- Pom poms, bells and similar craft supplies
- Hot glue gun
- Sewing needle and thread (optional)
- Erasable fabric marker

INSTRUCTIONS

Step 1 – Lay out all your materials on a clear workspace.

Step 2 – Use your marker to draw shapes and designs onto the felt sheets. We drew light bulb shapes and cut them out of different coloured felts to create a string of lights. Other festive choices include stars, snowflakes and candy canes.

Step 3 – Decorate with craft supplies and Christmas decorations. Most decorations can be adhered with hot glue, but we recommend using a tacking stitch for items like tinsel.

Step 4 – Put jumper on and enjoy the Christmas festivities

Tip – Stitching takes a little longer than gluing, but stitches will not damage your garment. Opt for this method if you want to repurpose your tee shirt or jumper after your event.
