WHAT YOU'LL NEED

- 'Semco' Acrylic paint; red, orange, yellow, green, blue, purple, pink
- 'Semco' Canvas value pack
- Pencil
- 'Semco' palette
- Crafters choice paint brushes
- Water

INSTRUCTIONS

Step 1. Using pencil lightly draw out the design of the rainbow over the 2 canvases. There should be 7 stripes for the 7 colours of the rainbow.

Step 2. Use Semco paint to paint each section of the rainbow working on 1 colour at a time. Allow a little dry time between each colour so the paint doesn't bleed together. Use water to clean brushes between colours.

Step 3. Repeat for each colour of the rainbow; in order from outside in; red, orange, yellow, green, blue, purple and pink.

Step 4. Once dry, apply second coat if needed.

Step 5. Allow to dry completely before hanging.
