DUSTY FLORAL HEAD PIECE

i INTERMEDIATE

WHAT YOU'LL NEED

- Dry look floral stems
- Headband
- Hot glue gun
- Scissors
- Needle and thread
- White floristry wire

Read all instructions carefully before commencing the project.

INSTRUCTIONS:

Step 1 - Pull apart floral stems and leaves to sort in type and colour on the table.

Step 2 - Cluster the larger flowers, then fill in with smaller flowers and leaves, and glue together with the glue gun. Transfer to headband. Glue them secure further with floristry wire.

Step 3 - To finish turn head piece over and glue more leaves and flowers to cover the back so the headpiece looks neat from all angles.
