## INSTRUCTIONS

### Pink Ruffle Brimmed Hat

**Step 1** - To create the hat band cut a 135cm length of ribbon and old in half lengthways. Add a dab of glue on the wrong side of the centre and attach to centre front of hat. Wrap ends around to the centre back and tie in a knot. Add glue under the knot to secure. Tie in a bow and trim ends to desired length.

**Step 2** - From the decoration accessory kits, select flowers and butterflies. We used pink, white and blue flowers and pink butterflies. Cut the plastic stems from the flowers so they will sit close to hat.

**Step 3** - Glue flowers to brim and head of hat as desired.

**Step 4** - Select some pink feathers from the Bag of Feathers add a little glue to the end and tuck into the ribbon band.

**Step 5** - Glue mauve chicks and bunnies into spaces around the hat brim. Remove wires from three toadstools, cut off ends and glue to top and brim of hat.

### Yellow Cowboy Hat

**Step 1** - To create the hat band cut a 70cm length of ribbon. Add a dab of glue on the wrong side of one end and attach to centre back of hat. Wrap the loose end around the hat to the back. Overlap glued end by 2cm and trim off excess ribbon. Fold end under and glue to secure.

**Step 2** - From the glitter carrot pack select six carrots. Glue to hat in a bunch of three to left of the centre front as shown in pic. Glue another bunch of three to the left of centre back so bunches are diagonally opposite each other.

**Step 3** - Glue one pastel eggs in a nest to the brim on the right-hand side. Glue one white eggs in a nest to the brim on the left-hand side.

**Step 4** - Finish your hat by gluing three chicks into spaces around the brim.

### Natural Flat Brimmed Hat

**Step 1** - To create the hat band cut an 80cm length of ribbon and old in half lengthways. Add a dab of glue on the wrong side of the centre and attach to centre front of hat. Wrap ends around to the centre back, overlap ends and glue to hat. Cut a 25cm length of ribbon to create a faux bow and glue over the join in the band.

**Step 2** - Glue three blue and three yellow felt flowers to the brim of the hat as desired or refer to pics.

**Step 3** - Glue two chicks with glasses and two chicks with bonnets to the hat band so they are standing on the brim of the hat.

**Step 4** - Glue a bunny to the brim of the hat as desired.
