ETHEREAL BLUES QUILT

i BEGINNER

WHAT YOU'LL NEED

- 60cm of a variety of 5 fabrics all 1m
 - Black Fabric

INSTRUCTIONS

Cut black fabric:

- 28 - 1.5 x 10.5 inch strips
- 8 - 150cm - 1.5 inch strips

Cut from main variety of fabrics:

- 14 - 5 ½ x 5 ½ inch squares from each of the main 5 fabrics
- 15 - 6 x 6 inch squares and then crosscut each square to make 30 triangles.

Step 1 - Using your quarter inch foot piece all of the triangles randomly matching them together in a variety of combinations and press gently, this will make a 5 ½ x 5 ½ inch square.

Step 2 - Once all triangles have been sewn together layout 2 of the pieced triangle squares with 2 of the full squares, making 1 large 10 ½ x 10 ½ inch square. You will need 35 of these. You may like to fully layout your quilt as it will appear in case you want to rearrange some squares for variety.

Step 3 - Once all of the larger squares have been sewn together and you have layed them out in the order that you would like them to appear. Piece one row together at a time with a 1 ½ x 10 ½ inch strip in between.

Step 4 - Begin piecing each row together placing the oversized 150cm x 1.5 inch strip in between. As you sew each strip to the row trim the black strip neatly at each end of the row, squaring off neatly before adding the next row so you have a well lined up join.

Step 5 - Complete with adding the strips first to the sides of each of the quilt and then the top and bottom.

Step 6 - Sandwich and Quilt

When sandwiching your quilt always allow a good 10cm larger on each side of the quilt. Once quilted trim and bind.
