INSTRUCTIONS

PAPIER MACHE CRACKED HANGING EGGS

Step 1 – Start by painting your papier mache inside and out and allow time to dry.

Step 2 - Select three chicks and glue inside one egg and a chenille bunny inside the other egg.

Step 3 – Choose three small flowers and a butterfly from Deco Accessory Kit. Cut the stem from the flowers. Glue one flower to front left side of each egg.

Step 4 - Glue the butterfly to top right side of egg with the chicks.

CERAMIC HANGING EGG

Step 1 - Take your paint brush, your chosen paint colour and paint your ceramic hanging egg. Allow time to dry.

Step 2 – Using adhesive rhinestones, get creative and stick the stones on your egg as desired.

FILLABLE EGGS

Step 1 - Place a large white flower face down into one half of a 10cm egg with pastel eggs

in nest face down on top. Push a blue flower into the top of the nest.

Step 2 - Push 12 small flowers into the back of the nest.

Step 3 - Carefully place the other half of the egg over the top and push together to close. Cut a 50cm length of Dot ribbon, thread through hanging loop at top of egg and tie in a knot. Tie ends in a bow and knot. Bring the ends together and tie in an overhand knot to create a hanging loop. Trim ends.

Step 4 - Lie bunny in one half of 8cm egg. Carefully place the other half of the egg over the top and push together to close. Cut a 50cm length of Rabbit ribbon, thread through hanging loop at top of egg and tie in a knot. Tie ends in a bow and knot. Bring the ends together and tie in an overhand knot to create a hanging loop. Trim ends.

FOAM EGGS

Step 1 - Push a bamboo skewer into the base of each foam egg and holding the skewer paint the eggs. Stand skewers in a jar to allow paint to dry.

Step 2 - Cut a 3 x 60cm lengths of ribbon. Fold ribbon in half to find the centre and glue the centre of the wrong side to the bottom centre of the egg. Bring the ends of the ribbon up the sides of the egg and tie together in a knot. Push a sequin pin through the knot into the top of the egg to secure in place. Bring the ends together and tie in an overhand knot to create a hanging loop. Trim ends. Repeat for two more eggs.

Step 3 - Select two eggs with a hanging loop and glue yellow felt flowers to each side of one and pink felt flowers to each side of the other.

Step 4 - Select two butterflies from Deco Accessory Kit. and glue one to each side of the remaining egg with the hanging loop.

Step 5 - Select a butterfly, a ladybird and a toadstool from the Deco Accessory Kit. Remove the wire and cut back the base of

the toadstool. Glue the butterfly, ladybird and toadstool to the remaining egg.
