FLANNELETTE AND MINKY BLANKETS

e EASY

WHAT YOU'LL NEED

- 112cm wide Printed Flannelette 50cm
- 150cm wide Minky Dot Fabric 110cm
- Sewing Machine, scissors, needle and thread, tape measure

FINISHED MEASUREMENTS

Width (approx) 90 cm

Length (approx) 100 cm

Read All Instructions Carefully Before Commencing The Project.

INSTRUCTIONS

Step 1 - Straighten the cut edges of Minky Dot so that the fabric width measures 103cm x 150cm including side seam allowances of 1.5cm. With right side together fold in half by bringing the 2 selvage edges together. Cut the Flannelette to a rectangle 5cm x 103cm.

Step 2

Fold the flannelette in half longways wrong side together and press, then press in the seam allowances longways as a sewing guide. Open out for sewing.

Step 3

Pin, then sew the flannelette along both short sides of the Minky Dot using the pressed seam allowance as a guide, right sides together.

Step 4

Sew the 2 side seams leaving enough of a gap on one side to turn the blanket to the right side, hand sew gap and press.
