FLOWER BALLOONS

14.18.44

EASY

WHAT YOU'LL NEED

- 5 x Pink Oval Balloons
- 5 x Yellow Oval Balloons
- 2 x White Round Balloons
- Fishing line
- Scissors
- Masking tape

INSTRUCTIONS

Step 1. Blow up Pink and Yellow balloons to full size.

Step 2. Blow up white balloons to half size.

Step 3. Tie the Pink balloons together with fishing line spacing them evenly apart until you create the petal shape with the balloons. Ensure to leave enough fishing line to tie the white balloon down in the centre.

Step 4. Repeat this process with the Yellow balloons again leaving enough fishing line to tie the white balloon down.

Step 5. Tie the white balloons to the centre of each flower.

Step 6. Cut pieces of masking tape, double it on itself and place between each balloon to hold them in place and also secure the middle white balloons.
