TAKE + MAKE

FOLDED CHRISTMAS TREE NAPKIN

EASY

WHAT YOU'LL NEED

- Fabric Napkin
- Decoration for the star

INSTRUCTIONS

- Step 1.** Fold napkin in half to create a rectangle and then fold in half again to make the square shape. Place napkin in front of you on the diagonal so you have a diamond shape.
- Step 2.** Carefully fold up each layer of the napkin, creating a layered pattern.
- Step 3.** Once all layers are folded up create the point of the tree by turning the whole napkin carefully upside down.
- Step 4.** Tuck the outsides under to begin to form the tree (triangular) shape.
- Step 5.** Fold up each tip of fabric and secure in place by tucking under the layer above.
- Step 6.** Secure a decoration using a peg to create the star on top of your tree.
- Step 7.** Repeat with each napkin and display on table setting!
