GINGHAM SHOPPING BAG HOLDER

e EASY

WHAT YOU'LL NEED

- 1m of Y/D cotton Gingham
- 20cm elastic (4mm width)
- Safety Pin
- Ruler
- Scissors
- Pencil
- Thread
- Sewing Machine

CUTTING:

Step 1- This project is made using two simple rectangles.

Using your pencil and using the gingham pattern as a guide to cut straight lines.

Cut two rectangles of fabric. One 45cm X 55cm and one 7cm X 20cm.

SCALE: 1/10

SEWING:

Step 1- Fold over made pattern piece longer sides together and sew with 1cm seam allowance.

Press seam open.

Step 2- At top of main tube double turn a 1cm hem and sew.

Step 3- At bottom of main tube double turn a 1cm hem and sew leaving a 2cm gap. This is to thread the elastic through.

Step 4- Using the safety pin, feed the length of elastic through the bottom hem.

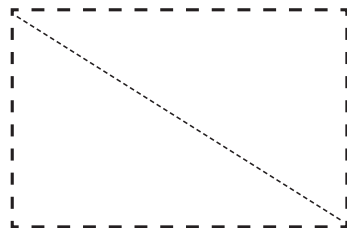

Secure elastic together at ends on sewing machine.

Step 5- Close hem to hold elastic in.

Step 6- With hanging loop pattern piece, sew long ends together and turn right side out creating a tube. Press with seam to back.

Step 7- Fold hanging loop in half and secure to inside of top of the holder main.

We used a square and cross stitch for added strength for the loop.
