GRANDPA FACE PAINT

e EASY

WHAT YOU'LL NEED

- Be Yourself White Coloured Hairspray
- Baby wipes
- Small flat makeup brush
- BYS SFX White Colour Wheel
- Thin makeup brush
- BYS SFX Cuts & Scratches Colour Wheel
- Powder brush
- BYS HD Microfinish Powder
- Regular makeup sponge
- Costume, glasses and a wig

INSTRUCTIONS

Step 1 - Use the Be Yourself White Coloured Hairspray to colour the hair white.

Tip: Use a baby wipe to remove any overspray.

Step 2 - Using a small flat makeup brush, apply the BYS SFX White Colour Wheel to the eyebrows in light upward strokes to create bushy white eyebrows.

Step 3 - Using a thin makeup brush, use the black shade from the BYS SFX Cuts & Scratches Colour Wheel to make flicking strokes to add texture to the eyebrows.

Step 4 - Using a powder brush, gently pat the BYS HD Microfinish Powder onto the brows to set the paint. **Tip:** Don't swipe the powder on as that would smudge the paint.

Step 5 - Repeat steps 2 to 4 to draw on the moustache.

Step 6 - Using a regular makeup sponge, lightly dab the dark red shade from the BYS SFX Cuts & Scratches Colour Wheel onto the top of the nose, eyelids and under-eye area. Use a clean sponge to blend the red into the skin.

Step 7 - Using the black shade from the BYS SFX Cuts & Scratches Colour Wheel, draw in

wrinkles on the forehead, nasal folds, eyelid crease, under-eye bags and crows feet. Use the BYS SFX White Colour Wheel above each wrinkle to create the illusion of depth. Use the thin makeup brush to draw the fine lines around the eyes.

Step 8 - Finish the look with costume, glasses and a wig.
