# HALLOWEEN CANDY BUCKET

**e** EASY

## WHAT YOU'LL NEED

- Byron Acrylic Paint 75ml Cool Yellow
- Byron Acrylic Paint 75ml Cool Red
- Byron Acrylic Paint 75ml Black
- Byron Acrylic Paint 75ml Glitter Gold
- Bucket
- Pencil
- Paint brushes

## INSTRUCTIONS

**Step 1** - Mix Byron Cool Yellow & Byron Cool Red paint to create an orange colour. Start with yellow and add a touch of red until you mix the desired shade of orange. Paint your background colour on the bucket. To get the mottled effect don't completely mix the colours together. Paint a second coat for an even coverage, letting dry between each coat.

**Step 2** - On the top of the bucket, using a stencil, or freehand draw on the name of your child with pencil. Next, paint it in using Byron Black paint.

**Step 3** - Using a pencil, trace out a pumpkin and some bats. Then complete the design by filling in with Byron Black paint. Let the paint dry.

**Step 4** - To finish off, paint over the black paint using Byron Gold Glitter to add a sparkling touch to the design.

*Let your kids create their own Candy Buckets this Halloween. The buckets can be personalised however you like, just don't forget to add a little glitter to finish the job!*
