# HALLOWEEN SLIME JARS

**e EASY**

## WHAT YOU'LL NEED

- 4fl oz 'Elmer's' glitter glue in black, purple, green and orange
- 'Elmer's' Magical liquid 258ml/8.75oz
- Glass jars
- Assorted card board
- Joggle eyes
- Hot glue gun and glue sticks
- Mixing bowl
- Spoon

## INSTRUCTIONS:

**Step 1** – To create your spooky jars, use the hot glue gun to glue on coloured card and joggle eyes. We created a bat, pumpkin and some monsters by cutting out some bat wings and a leaf out of card and using multiple joggle eyes for the monsters. Once your jars are complete you can begin to make the slime.

**Step 2** – Pour out the entire bottle of a 4oz "Elmer's" School Glue into the bowl.

**Step 3** – Add magical liquid 1.9oz and mix thoroughly., according to bottle instructions.

**Step 4** – Mix until mixture gets harder to mix and slime begins to form.

**Step 5** – Take the slime out and begin kneading with both of your hands.

**Step 6** – If needed, add 1/4 tablespoon more of magical liquid to make the slime less sticky.

**Step 7** – Repeat steps 2 – 7 with different coloured slime and pour slime into each jar to see your spooky slime creations come to life!
