HAND EMBROIDERED KIDS ART

e EASY

WHAT YOU'LL NEED

- Embroidery hoop
- Cotton fabric
- Embroidery threads
- Hands sewing needle
- Scissors
- Pencil
- Kids Drawing or hand to trace

INSTRUCTIONS

Step 1 – Either use an existing art work or ask your children to draw a special drawing onto the fabric with a pencil. You can also trace around their hand shapes to create a beautiful piece of art.

Step 2 – Once design has been drawn lightly on fabric, place fabric into embroidery hoop and stretch so it is secured tightly.

Step 3 – Use embroidery thread to go over design, we used a simple running stitch, but you could use whatever embroidery stitches you like to bring your design to life.

Step 4 – Once you have embroidered the whole design, cut off excess fabric on the outside of hoop to finish. These will look great hung on the wall and are the perfect way to keep your children's artwork forever.
