Step 1 - Gather your range of 6.5" squares and determine layout. You will require a total of 25 squares for the quilt top. There will be sufficient squares cut to choose and mix and match your fabrics in a pleasing manner.

Step 2 - With right sides facing, sew a 6.5" long sashing strip to the top edge of a 6.5" square. Press seams to one side.

Step 3 - Repeat Step 2 for remaining 25 squares.

Step 4 - Keeping your blocks in order and following the Layout Diagram, sew the squares together, creating rows, sewing the bottom side of the block to the sashing strip which you have already sewn to the next square.

Step 5 - Add a sashing strip to the bottom edge of the last square in each row.

Step 6 - Gather the remaining 2 x 6.5" sashing strips and small Holly Jolly Xmas Stripe 2" squares.

Step 7 - Following the Layout Diagram, sew the 2" squares to the sashing strips, to make the long sashing rows.

Step 8 – Pin a sashing row to one side of each row, ensuring that you match the seams. Sew and press seams to one side.

Step 9 – Gather your Holly Jolly Xmas Scenic Half Square triangles. Following the Layout Diagram and keeping your rows in order, sew to the ends of each of the rows. Press seams.

Step 10 – Following the Layout Diagram, sew your rows together to create the quilt top. Press seams.

Step 11 – Gather your Holly Jolly Xmas Scenic Quarter Square triangles and pin to each corner. Sew. Press seams.
