INSTRUCTIONS

Step 1 – Preparation.

Search for Monogram Coasters project in Cricut Design Space. *Fees may apply.

If you want to alter the project, select Customize, then use the tools in the Edit panel to make changes before you cut.

To personalize the text of this project, use the text tool to select the text you want to change, and type in your desired letters. Use the Attach option to preserve the arrangement of text before cutting.

Step 2 – Cut.

Be sure to Mirror the mat when using an Infusible Ink Pen. Follow the prompts in Design Space to draw and cut the images from the laser copy paper.

Step 3 – Assemble.

Use your Infusible Ink Pens to colour in the monograms as desired directly on the laser copy paper. For your infusible Ink project, follow the links below to determine the settings and stack order you should use for
