JEWELLED WALL HANGING

e EASY

WHAT YOU'LL NEED

- 25cm MDF round placemat x 6
- Semco gems mix
- Semco sequins mix
- Uhu all-purpose glue
- Acrylic paint – pink & light blue
- Scissor
- PVA glue

INSTRUCTIONS

Step 1 – Lay out all your materials and make sure you have a clean workspace to work on. Lay a protective sheet over your workspace too.

GEM WALL DÉCOR LIGHT BLUE AND PINK

Step 1 – Start by painting the wooden placemat with acrylic. Once the first coat is dry, paint a second coat if necessary.

Step 2 – Once dry, draw a rough layout or pattern where you want the gems. Start attaching the gems using all-purpose glue.

SEQUIN AND GEM WALL DÉCOR

Step 1 – Start by painting the wooden placemat in stripes with PVA glue.

Step 2 – Working quickly so the glue doesn't dry, sprinkle the sequin over the glue ensuring you have covered the stripes. Leave to dry.

Step 3 – Once dry, embellish the gaps with gems.

FEATHER WALL DÉCOR

Step 1 – Choose your feather colour you would like to use – set aside.

Step 2 – Begin positioning the feathers around the edges. Once you are happy with the layout, glue the feathers in place.

Step 3 – To finish, hang them grouped together on a wall.
