KAISERCRAFT ADVENT CALENDAR

i INTERMEDIATE

WHAT YOU'LL NEED

- Craft Glue
- Double sided foam tape
- Box Advent Calendar
- Mint & Mistletoe 6.5" Paper Pad
- Mint & Mistletoe collectables
- 12x12 Mint & Mistletoe Paper Pack
- File Set
- Alpha sticker set
- Navy Kaisercolour paint
- Paisley Flourish Pack

INSTRUCTIONS

Step 1 - Following the included instructions, construct your Box Advent Calendar. Once constructed, paint the entire frame using the Navy Kaisercolour paint.

Step 2 - While the paint is drying let's focus on the drawers. Start by outlining the face of the drawers on your chosen papers from the 6.5" Mint & Mistletoe Paper Pad. Cut out and adhere to the cardboard drawers using craft glue.

The papers we used were:

- Christmas Holly x4 drawers
- Snowflakes x4 drawers
- Pine Springs x4 drawers
- Village side 1 x4 drawers
- Village side 2 x4 drawers
- Christmas Song x4 drawers

Step 3 - Add some dimension by using the collectables of your choice, decorate a handful of drawers (as seen on number 20 and 24)

Step 4 - Lets begin the Christmas countdown and cut 24, 2x2cm squares from the Christmas Holly Paper. Number each box from 1 - 24 using the sticker sheet in the paper pack and alpha stickers and slot into each shelf

Step 5 - To create the centrepiece, cut a rectangle from the "Village" paper measuring 180 x 135mm and stick it down with craft glue.

Step 6 - Cut a strip of "Christmas song" 2cm thick and adhere to the top of the centrepiece.

Step 7 - Cut out the "Christmas tag" from the "Blessings" paper and place it slightly left of centre.

Step 8 - Let's add some dimension by adding the 2 collectables pictured (Snowflake and Christmas Blessing) with double sided foam tape.

Step 9 - Add the final touch of the wooden flourish to add some texture.
