Timber & Aluminium Venetians

Venetian blinds are easy to install and allow you to open and close the blades to any position, giving you perfect control over light and privacy. Our blinds are available in many fashionable colours and finishes including our "child safe" wand control option.

Choose your colour from our range of samples in store.

AVAILABLE SIZES

• **Timberlook Venetians** are available in widths from 220mm to 2700 and drops up to 3000mm

• **Aluminium Venetians** are available in widths from 270mm to 2700 and drops up to 3600mm

MEASUREMENT TIPS

- Decide if the blind is more suited to being installed **INSIDE** or **OUTSIDE** of the architrave
- Fill in measurements in millimetres
- The most important measurement is the top of the window as this is the widest part of the blind and where it is installed
- Use a metal tape measure
- Do not make any allowances for the blind; just measure the inside or outside of the architraves
