**Magic Circle** (used when you want a tight circle with no hole in the middle) = wrap yarn twice around your finger, work a sl st into the lp, slip the lp off your finger and work the first round into the ring (over the two strands), pull the yarn tail to tighten the loop to create an invisible centre.

{ie: sl st into lp, work 6dc into lp, sl st into 1st dc, then pull tail to close centre.}

**MC** = gold, worked as the centre for all flowers
