## MINKY FLANNEL BLANKET

**e** EASY

### WHAT YOU'LL NEED

- 25cm Woodsfolk Blue Flannelette
- 25cm Milly Pastel Flannelette
- 25cm Milly Denim Flannelette
- 25cm Forest Friends Aqua Flannelette
- 25cm Forest Friends Pink Flannelette
- 25cm Arbour Green Flannelette
- 25cm Cream Minky Dot Fleece
- 25cm Grey Minky Dot Fleece + 100cm x 115cm Grey Minky Dot Fleece for backing
- 500gm Hobbyfill

### INSTRUCTIONS

**Step 1** – Cut 4 x 20.5cm (8 inch) squares out of the flannelette and the minky dot fabrics. You should end up with 32 squares. Arrange the squares in a 5 x 6 pattern (5 columns, 6 rows) on a large flat surface. You will have 2 leftover squares that you do not need.

**Step 2** – Make 5 panels by sewing the 6 squares in each column together from top to bottom. Press all seams open when you finish each panel.

**Step 3** – Join the 5 panels together to make 1 large rectangle, making sure ALL seams meet when they cross. NB: take care as the minky dot squares are very stretchy. Press seams open.

**Step 4** – Cut a piece of grey minky dot fabric the same size as the patchwork rectangle. With right sides together, pin and sew (starting and finishing 1cm from the bottom edge) around 3 edges, leaving the bottom edge open for turning and stuffing.

**Step 5** – Clip the 2 top corners, turn right side out and press. Press bottom edge to make a 1cm hem and place a pin at each join along the hem.

**Step 6** – Ditch stitch down each panel, sewing from top edge to bottom edge. Stitch right to the bottom to secure the turned-up hem.

**Step 7** – Lightly stuff each column. Hand stitch bottom edge closed.

**Step 8** – Ditch stitch across all panels following the seams in each row. This is a bit of a wrestle given the bulk of the blanket but not difficult.
