MONTANA CANS ANIMAL JARS

e EASY

WHAT YOU'LL NEED

- Box of 6 'Manson' glass jars
- Packet of dinosaur toys
- 'Montana Cans' gold spray paint 400ml
- Hot glue gun and glue sticks
- Cardboard or something to protect surface

INSTRUCTIONS

Step 1 - Use the hot glue gun to secure the centre of lid to the outside rim. Then glue the base of the dinosaur feet and press gently onto lid of jar.

Step 2 - Place some cardboard or plastic down to protect your work surface from spray paint, you will need to apply the spray paint outside or in a well-ventilated room. Place jars onto surface and use the spray paint to cover the lids entirely. Allow to dry, apply a second coat if necessary.

Step 3 - Once the jars are dry, place lids back on jars to finish.
