Step 1. Cut your gray ribbon to desired length. Fold the bottom end up 1.5cm and secure with glue on the back to prevent fraying.

Step 2. Cut pieces of your coloured ribbons to approx. 24cm strips, then fold them into loops, securing them with hot glue.

Step 3. Starting at the bottom, affix loops to gray ribbon. Ensure they overlap each other, are evenly spaced, and centred.

Step 4. Once all loops are attached, trim the top of the gray ribbon so it is even with the top of the top loop. Fold this over your D-ring, and glue in place.
