PEBEO TRAVEL NOSTALGIA MUGS

i BEGINNER

WHAT YOU'LL NEED

- Pebeo Porcelaine 150 45ml paints in colours of your choice
- Pebeo Porcelaine 150 Marker 0.7mm Black
- Pebeo Porcelaine 150 Outliners
- Porcelain Mug
- Brushes
- Copy Paper
- Scissors

INSTRUCTIONS

Step 1 - Cut copy paper to the size of the surface of the mug.

Step 2 - Determine what scenes or objects collected from your travels you would like painted on the mug. Plan how you would like the images placed by doing a rough sketch on the cut to size paper. Try different layouts!

Step 3 - Once you're happy with the layout, copy the line artwork to the surface of the mug using the Pebeo Porcelaine 150 Marker 0.7mm Black.

Step 4 - Use a brush and paint with the Pebeo Porcelaine 150 paints one colour at a time.

Step 5 - Let each layer of colour dry before starting on a new layer of colour.

Tip - Pebeo Porcelaine 150 paint colours can be mixed to create new colours!

Step 6 - Experiment with the Pebeo Porcelaine 150 Outliners in tubes with a nozzle applicator to create thick and thin raised outlines, and dots. Perfect for making more delicate details pop!

Tip - Squeeze gently for fine, thin lines and a firmer squeeze for thicker lines.

Step 9 - For the decorated mug to be dishwasher-safe, bake at 150°C for 35 mins in a domestic oven after drying for 24 hours.

Step 7 - Complete applying paint.

Step 8 - Once dry, if required, use the Pebeo Porcelaine 150 Marker 0.7mm Black to go over the outlines where it has been overlaid with colour paint.
