# PERSONALISED STOCKINGS

**e** EASY

## WHAT YOU'LL NEED

- Stockings
- Felt sheet
- Embroidery thread
- Hand sewing needle
- Scissors
- Pins
- Pencil

## INSTRUCTIONS

**Step 1** - Draw your chosen letter onto a piece of paper or print one off if you are not confident in drawing.

**Step 2** - Trace the letter onto your piece of felt with the letter facing backwards. This way when you cut it out any pen marks will be on the wrong side of the felt and the right side will be nice and clean.

**Step 3** - Pin the felt letter onto the stocking where you would like it to sit. Then using a needle and embroidery thread, you can stitch your letter onto the stocking. We used a simple running stitch, but you could use any stitch you like!

**Step 4** - Once the letter is attached, your personalised stocking is ready to be hung!
