TO MAKE UP.

Fold Slipper in half length-ways, using a flat seam, sew cast on edge together to create the back of the heel seam.

Fold cast off stitches in half lengthways and sew together forming the toe of the shoe. Now sew together the top of your slipper, for 6 (8)cm.

Sew centre of Ankle strap onto the centre back seam of slipper, crossover the ends of the ankle strap across the top of the slipper and pin into position so that they sit comfortably over the top of the foot. Sew on buttons and remove pins, sew in ends.
