**Step 2** - Spray the top of the cowboy hat with a light layer of E6000 Spray Adhesive glue.

**Step 3** - Sprinkle an even coverage of Crafters Choice White AB Glitter to cover the entire top of the hat. Leave to dry.

**Step 4** - Cut a strip of Arbee pink glitter felt approximately 2-3cm to create a band around the hat.

**Step 5** - Use a hot glue gun to stick the band of felt to the base of the hat, glue on rhinestones in your desired pattern.

**Step 6** - Measure and cut a strip of Stretch Sequin trim long enough to go around the edge of the brim of the cowboy hat.

**Step 7** - Cut strips of single sequin trim 10cms long, glue them along the edge of the back of the thicker stretch sequin trim.

**Step 8** - Finish by gluing the trim to the edge of the hat.
