## RHINESTONE SHOES

**e** EASY

### WHAT YOU'LL NEED

- Selection of Flat back Rhinestones (assorted colours and shapes)
- Tiger Grip Or E6000 Glue (certain glues may affect the finish of the rhinestone)
- New or Old pair of sandals

### INSTRUCTIONS

**Step 1** - Make sure sandals are clean and dry.

**Step 2** - Glue the rhinestones onto the straps either in a pattern or overlapping to cover entire fabric.

**Step 3** - Allow glue to dry and wear.
