RIBBON HAIR CLIPS

15.18.20

EASY

WHAT YOU'LL NEED

- Assorted Offray Ribbon
- Needle and thread
- Scissors
- Shamrock mini alligator clip
- Hot glue gun

INSTRUCTIONS

Step 1. Cut a length of ribbon roughly 40cm long.

Step 2. Hold the end of the ribbon and loop it 4 times roughly 8cm long.

Step 3. Pinch all the ribbons in the middle with the clip to hold in place and arrange to make a neat bow.

Step 4. Repeat this process with a contrasting ribbon colour, making a slightly bigger bow and secure underneath the smaller bow with the clip, creating one large bow.

Step 5. Use needle and thread to sew all layers of ribbon from both bows together through the center.

Step 6. Cut a small length of ribbon and wrap around the center of the bow. Use hot glue gun to secure the ribbon in place.

Step 7. Use hot glue gun again to glue the bow onto the hair clip. Allow to dry before putting in hair.
