- Ribtex Jewellery Basics 35 mm Eye Pins Silver 35 mm
- Ribtex Stone Beads String Green 8 mm
- Ribtex Jewellery Basics Laser Cut Small Leaf Bright Silver

#### INSTRUCTIONS

**Step 1** - Open the loop of an eye pin and thread on a shepherd hook – close the loop

**Step 2** - Thread onto the eye pin the large round lava bead, trim the straight end of the eye pin to 1cm, use round nose pliers to create a loop on the end of the eye pin.

**Step 3** - Place the tassel disc onto the loop before closing.

**Step 4** - On an eye pin place 3 pink seed beads, 2 silver bugle beads, 8 green seed beads, 2 more bugle beads and 2 pink seed beads. Close the eye pin around the end hole of the tassel disk by creating a loop with round nose pliers. On a head pin place 1 pink seed bead, one tubular lava bead and one more pink seed bead, create a loop on the end and attach to end of eye pin.

**Step 5** - Repeat on opposite end of tassel disk.

**Step 6** - On the second hole in on the tassel

disk place eye pin with 3 pink seed beads, 2 bugle beads, 5 green seed beads, another 2 bugle beads then another 2 pink beads. Use a head pin and green stone bead to attach to end of eye pin. Repeat on forth hole along on tassel disk.

**Step 7** - For the centre of the tassel disk place onto eye pin, 1 green stone bead, 2 pink seed beads, 1 bugle bead, 3 green seed beads, another bugle bead then another 2 pink beads. Use jump ring to connect eye pin and laser leaf pendant. Repeat steps 1 to 7 to create second earring to finish pair.

### BRACELET

#### WHAT YOU'LL NEED

- Ribtex Geometric Wooden 10 Beads and Twine Natural
- Ribtex Sensations Large Seed Bead White 3.6 mm
- Ribtex Sensations Large Seed Bead Clear with Bright 3.6mm
- Ribtex Jewellery Stringing Non Stretched Nylon Beading Thread Clear 30 m

#### INSTRUCTIONS

**Step 1** - Using non-stretch thread place on 4 seed beads, thread on another seed bead in another colour, loop the thread through the 4th bead and through the new bead and pull tight so they're aligned. See diagram.

**Step 2** - Loop on ten rows of 4 beads and tie thread around bead to finish.

**Step 3** - Use the natural twine from the geometric wooden beads cut two lengths approx. 20cm long.

**Step 4** - Use the non-stretch thread to attach the twine on either side of woven seed beads.

**Step 5** - Knot the twine on both sides of the seed beads. Thread on geometric wooden beads and knot again. Knot the very ends of the twine as well.

**Step 6** - Wrap some twine around both the ends to create closure. Tighten around your wrist by pulling the ends of the twine.
