## WHAT YOU'LL NEED

- JF112 Silver 7mm Jump rings x 2 Packets
- JF106 Silver 11mm Lobster Clasp
- JF287 Silver 2mm Crimpers
- JF187 Silver 4mm Collot Crimpers
- JF557 Silver 16mm Plastic Rings
- MM18012 Silver 7mm Metal Tubes
- WB2016012 Round Natural Wood Beads
- BBS16068 Pink Floral 12mm Porcelain Beads
- BBS16045 Blue Floral 11mm Porcelain Beads
- JF159 Silver Tiger Tail
- JF1036 Black 5mm Suede Thonging
- JFT001 Long Nose Pliers

## INSTRUCTIONS:

**Step 1** - Attach 3 collot crimper to a plastic ring. Repeat for a second plastic ring.

**Step 2** - Cut 3 piece of tiger tail (approx. 25cm, 30cm and 35cm).

**Step 3** - Feed tiger tail through collot crimper.

**Step 4** - Crimp with a 2mm crimper. Close the collot crimper to conceal the 2mm crimper.

**Step 5** - Thread a metal tube onto each strand followed by porcelain and wood beads to create a pattern. Between each bead thread three 7mm jump rings.

**Step 6** - Once beads have been threaded onto tiger tail thread loose ends through the collot crimpers on the second plastic ring. (Repeat step 4).

**Step 7** - Cut a strand of suede thonging (approx. 80cm) and feed through both plastic rings. Tie a knot at desired length.
