

Easy

Santa SACK

eg. Present Tapestry Red

WHAT YOU'LL NEED

- 60cm Tapestry 145cm
- Joy and Joy Santa Fur roll
- Matching Thread, Scissors and Tape Measure

STEP 1

Cut a rectangle 140x60cm from the Tapestry and join the short edges right sides together with a 1cm seam allowance creating a tube of fabric. Fold in half right sides together with the seam in the centre of the back and sew the bottom edge from one side to the other.

STEP 2

To create the base, flatten out the bottom and match the side seam to the seam on the bottom. Pin together and mark 3cm down from the point, rule across to form a triangle to create a 6cm base and stitch along the line. Trim seam to 1cm, cutting off the point.

STEP 3

Attach the fur roll to the top of the bag by sewing the fur wrong sides together with the top, then fold the fur over to make the turnover.
