SATIN BON BON TABLE RUNNER

e EASY

WHAT YOU'LL NEED

- Red satin (length will depend on how long table is)
- Scissors
- Thread
- Sewing machine
- String
- Interfacing (optional)

INSTRUCTIONS

Step 1 - Create a pattern for the table runner based on the table it will be featured on.

Step 2 - Cut out your satin using your pattern created.

Step 3 - Right sides together sew around edges leaving a small gap to bag out.

Step 4 - Bag out table runner through opening- making sure to make the corners nice and sharp!

Step 5 - Press and close opening by hand or on machine!

Step 6 - Repeat this process on leftover satin in smaller width and length- this is for the bow ends!

OPTIONAL:

We used some fusible interfacing on the back of the satin for our bows.

Step 8 - Using the string gather and tie ends of table runner in place to give the look of a bon bon.

Step 9 - Using the Smaller strips tie a bow to cover the string.
