## SCULPEY HAND DISH

### **i** INTERMEDIATE

#### WHAT YOU'LL NEED

- 'Sculpey III' 12pc Multipack in Pearls & Pastels
- 'Sculpey' Essential Tool Kit
- Baking Paper
- Baking Tray
- Rolling Pin
- Template
- Fine sandpaper

#### INSTRUCTIONS

**Step 1** - Take small pieces of different coloured sculpey and roll them into unevenly sized balls.

**Step 2** - Cluster the balls together on a piece of baking paper on a flat surface.

**Step 3** - Lay another piece of baking on top of the Sculpey, and roll it out so the sculpey joins together to approximately 4mm thick.

**Step 4** - Use the template to cut a hand shape.

**Step 5** - Lay the hand over an upturned bowl or dish to give it shape. Ensure the dish is oven-safe.

**Step 6** - Bake according to packet instructions.

**Step 7** - File down any rough edges using an emery board or fine grain sandpaper.

**Step 8** - Display your jewels!

**Note** - This template has been scaled. You will need to print this template at actual size and blow it up by 200% to make it full size.
