SHADOW LETTERING ARTWORK

e EASY

WHAT YOU'LL NEED

- Derivan Student Acrylic Paint
- Paint Brushes
- Water
- Pencil
- Ruler

INSTRUCTIONS

Step 1 – Using a pencil lightly draw your design outline on the canvas. To create the shadow for the letter use a ruler and draw a straight line on an angle from the top right hand corner of the letter to the base of the canvas. Repeat the same process and again draw a line from the bottom left corner of the letter to the bottom of the canvas.

Step 2 – Now it's time to paint. Choose your colour scheme for your artwork and paint in the letters and shadows using a finer brush for neat edges and a larger brush to fill in the rest.

Step 3 – Allow paint to dry before painting a 2nd coat and depending on the strength of the colour you may need to do a 3rd coat.

Step 4 – Once paint is completely dry you can hang your finished artwork.
