INSTRUCTIONS

GEO PAINTED DECK

- Step 1.** Using masking tape, tape up your deck to create geometric blocks.
- Step 2.** Decide which shapes you want to be covered in glitter. Paint a layer of PVA in each block and sprinkle glitter over paint. Allow to dry before shaking off excess.
- Step 3.** Paint the rest of the shapes with acrylic paint and allow to dry. You may need to do a few coats to get solid coverage.
- Step 4.** Once all blocks are dry, pull masking tape off to reveal finished piece.
- Step 5.** Place in refrigerator until chocolate has hardened.

POM POM DECK

- Step 1.** Use pom poms, chenille sticks and macramé cord to create a colourful design over the skate deck.
- Step 2.** Use the glue gun to glue down your design.
- Step 3.** Allow to dry completely before standing up right.

RHINESTONE DECK

- Step 1.** Paint skate deck with acrylic paint and allow to dry. You may need to do a few coats to get solid coverage.
- Step 2.** Once paint is completely dry, use hot glue gun to glue on rhinestones in a random pattern.
