STAY PAWSITIVE

e EASY

WHAT YOU'LL NEED

- Cricut maker or explore machine
- Design space application
- Cricut iron on vinyl
- Crafters choice polyester bag with zip, or polyester fabric bag
- 12' x 12' standard grip machine mat
- Cricut easy press 2
- Cricut easy press mat
- Lint roller
- Butcher's paper & white cardstock paper
- Weeding tools
- Scissors

INSTRUCTIONS

Preparing your design

Step 1 - Login to the Cricut Design Space application and search the Cricut access projects for 'Stay Pawsitive Pencil Bag' or follow [this link](#)

Step 2 - To alter the project, select 'customize', then use the tools in the edit panel to make changes before you cut. Otherwise click 'make It'.

Tip- Be sure to mirror your mats before cutting if using design space.

Cutting your Design

Step 1 - Select everyday iron-on from the list of materials. Place the iron on sheet, liner side down onto the cricut standard grip cutting mat.

Step 2 - Load your mat into the machine and cut your design. Once the cut is complete, unload your mat from the machine and weed your image.

Tip - To secure your vinyl onto the mat, tape down using washi tape.

Prepare your material

Step 1 - Using the lint roller, prepare your pencil case surface by removing any dust or lint.

Step 2 - Pre-heat the cricut easy press 2 for 30 seconds at a temperature of 155°C.

Step 3 - Follow the listed stacking order for applying your design onto the pencil case:

- Cricut easy press 2
- Butcher's paper
- Iron on design face down, liner side up
- Pencil case face side up
- Inside pencil case - 80 (lb) white cardstock paper 80 or 4 layers of butcher's paper
- Cricut easy press mat

Apply your Design

Step 1 - Place your pencil case on the Cricut easy press mat face side up and cover with butcher's paper

Step 2 - Pre-heat the pencil case for 30 seconds at a temperature of 155°C. Remove the butchers paper from the top of the pencil case.

Step 3 - Place design face down onto the pencil case, liner side up and cover with butcher's paper. Press with light pressure 155 degrees Celsius for 30 seconds.

Step 4 - Slowly lift press, remove butcher's paper and allow the design to cool completely before removing the liner.

Care Instruction

Cold hand wash inside out.
